Date: January 1, 2024

### NOTIFICATION

The competent authority has been pleased to approve the establishment of "Academy of International Certifications". The academy will be first of its kind in Pakistan with the aim to bridge the gap between academic learning and industry standards, by integrating SGS's (Societe Generale de Surveillance) globally recognized ISO (International Organization for Standardization) certifications into University of Lahore's robust academic programs. This collaboration targets to create a new paradigm in higher education that aligns closely with industry needs and global workforce standards. This venture is supported by the UNDP (United Nations Development Programme) to further the Sustainable Development Goals (SDGs), particularly focusing on quality education and industry innovation.

The TORs for the Academy are as follows:

1. The academy will provide ISO certification materials, training for faculty, and the necessary assessments for certification. SGS will also share global industry trends to guide curriculum development
2. It aims to integrate globally recognized ISO certifications from SGS into University of Lahore's diverse academic programs which will be strategically beneficial to both institutions, promising to enhance the educational experience and employability of University of Lahore graduates.
3. The academy will initially focus on the Business, Engineering, and Environmental Science departments, and at later stage covering all of the departments with potential for future expansion based on success and feedback.

Mr. Jawad Khalid Khan will serve as the Project Director of the Academy.
